SABA's Kinder Kicks program is a fun filled program for players ages 4-6.

The sessions enhance coordination and motivation through dribbling, passing, and shooting games. The innovative games and activities-combined with our proven teaching techniques-help develop motor skills, cognitive abilities, and peer relationships.

We provide a positive environment by not eliminating children from activities.

Our inclusive methods provide all participants with the "Soccer with a Smile" guarantee.

Kinder Kicks helps prepare our younger players for future Academy travel teams.
